

HARRISBURG PARKS FOUNDATION

The Harrisburg Parks Foundation was established in the Fall of 2014 to help the city of Harrisburg raise much-needed funds for the maintenance of its many playgrounds and amazing system of parks. The not-for-profit organization is presently affiliated with the Foundation for Enhancing Communities to raise tax-exempt funds. The foundation's mission is to support the City of Harrisburg's Department of Parks, Recreation, and Enrichment in the preservation, maintenance, expansion, and development of the city's parks and playgrounds; and in the delivery and improvement of recreational opportunities for the benefit of the citizens of Harrisburg and the general public.

JACK CRAGO

Once again, this year's golf outing honors the memory of Jack Crago. Jack, who passed away in April 2016, was a devoted member of the Parks Foundation, and its predecessor, the Harrisburg Parks Partnership. Jack spearheaded a series of annual golf outings to benefit the City's youth program. Proceeds from this year's event will help the City refurbish and enhance its parks and playgrounds.
